

suspect it was the enemy's soldiers who adjusted the shelling. They could approach the house by crossing the field.

The accused replying to the question of "Baluy": People from the orphanage located in our area had been evacuated.

The accused replying to the question of "Sedoi": I joined the militia following the appeal of the leader of the National Liberation Movement. I want to defend my Motherland with lethal force.

The accused replying to the question of the chairman: I was given a bad character reference because I had a conflict with soldiers (Kolya "Zmey" and others) who were binge-drinking while armed and on duty. [REDACTED] were made when I was young and in prison. I have no connections with neo-Nazi or similar groups. I occasionally smoke marijuana, but I don't use any other drugs. I'm ready to atone for my guilt on the front line.

The accused replying to the question of "Baluy": I took part in the liberation movement. On May 2, 2014, my friends and I hijacked a locomotive from the depot in Slovyansk. We blocked a railway crossing, hampering the movement of the enemy convoy that was heading for the city from Andriivka. This can be confirmed by [REDACTED] from the Rys unit.

The court proceeds to judicial pleadings.

JUDICIAL PLEADINGS

Prosecutor: Having analyzed the facts established in this session, I consider it necessary to send the case for further investigation.

Defender: I concur with the defender.

"Baluy": I consider it necessary to send the case for further investigation. The accused shall remain in custody.

The chairman announces that the verdict will be declared around 02:45 on June 2, 2014, and the court will retire for deliberations.
